

**CANDIDATE FOR GOVERNING BOARD MEMBER
SAN BERNARDINO CITY UNIFIED SCHOOL DISTRICT**

NAME: JOSEPH TURNER

AGE: 29

OCCUPATION: State Legislator's Representative

FACT: Our school board has failed. Only 42% of our children graduate, placing us 99th out of the 100 largest districts.

FACT: The Superintendent was rewarded for this failure with a salary approaching \$200,000 a year and called a "bargain" by one board member.

FACT: The district has a Deputy Superintendent and ten Assistant Superintendents all making over \$100,000 a year. Each one is allowed to have a secretary making over \$70,000 a year.

FACT: The board wasted over \$13 million on software that has never worked, discussed teaching Ebonics and giving illegal aliens the right to vote.

As a fiscal conservative with a finance degree from the University of Southern California, I will protect the taxpayer from wasteful spending, fire the Superintendent and his bureaucrats and put this money back into the classroom for supplies, music and art programs. Money will go to teach our children, not bureaucracy. As an anti-illegal immigration activist and author of the San Bernardino "Illegal Immigration Relief Act" initiative, I will oppose the policies that aid and abet illegal immigration. My son and I have attended school in this district. He is not receiving the great education that I received. I will change that.
